Report About Summer Program

The summer program was taken around 10 days event that was cooperating by 5 universities: Universitas Airlangga (UNAIR), Universitas Muhammadiyah Yogyakarta (UMY), Universitas Indonesia (UI), KTO Karatay University (KTO), and Universiti Sains Islam Malaysia (USIM) where three of them were hosted. The program was designed to provide participants with an opportunity to learn about different cultures, explore different cities, and network with other students.

Schedule

The program began in Surabaya, Indonesia, where participants spent three days attending lectures, visiting museums, and exploring the city. The next three days were spent in Yogyakarta, where participants continued their studies and visited the famous Malioboro street as well as museum. The final three days were spent in Jakarta, where participants visited two companies, toured the city where they have seen monas, and attended a closing ceremony at university Indonesia.

Activities

In addition to the lectures and presentations, participants in the summer program also had the opportunity to participate in a variety of activities, including:

- City tours
- Museum visits
- Company visits
- Networking events
- Cultural performances
- Competition

Benefits

The summer program offered a number of benefits to participants, including:

1. The opportunity to learn about different cultures
2. The opportunity to explore different cities
3. The opportunity to network with other students from different cities and different countries.
4. The opportunity to gain new skills and knowledge
5. The opportunity to have fun and make new friends

Conclusion

The summer program was a valuable experience for all participants. They learned about different cultures, explored different cities, and networked with other students. They also gained new skills and knowledge, and had a lot of fun.

Reflection

I was one of the participants in the summer program, and I had a wonderful experience. I learned a lot about different cultures, and I met some amazing people from different universities. I also had the opportunity to visit some amazing places, such as the Surabaya Museum and the Monas in Jakarta. I would definitely recommend this program to anyone who is interested in learning about different cultures and exploring different cities.

Acknowledgments

I would like to thank the organizers of the summer program for providing me with such a valuable experience. I would also like to thank my fellow participants for making the program so much fun.

Recommendations

I would recommend that the summer program be expanded to include more universities from around the world with the same department as you did to share more ideas.

Overall, I had a wonderful experience in the summer program. I learned a lot, met some amazing people, and had a lot of fun. I would definitely hope to participate next year insya allah.
